University Mission Statement:

Equipping students to discover and develop their divine design to serve Christ and the world through Spirit-empowered life, learning, and leadership.

Course Description: (Prerequisites: Junior standing and at least a 2.5 cumulative GPA) This class requires work experience, on and/or off campus, in an organization providing on-the-job training in business field. The intern will be supervised by a faculty mentor and a supervisor in the organization and will report work experience through written and verbal reports to the faculty mentor. This experience may be substituted for three hours of business electives. Internships are approved by the faculty mentor or Dean of the College of Business and Legal Studies.

I. Purpose

This course is designed to enhance student learning through the application of classroom learning in a professional work setting.

II. Objectives

Specific Behavioral Objectives. As a result of the activities and study undertaken in this course, a student should be able to:

1. Understand how material learned in the classroom is applied in an organizational setting.
2. Perform detailed procedures in a specific area of accounting or taxation as set forth in an internship learning agreement.
3. Provide professional quality presentations relating to the learning experience using both written and verbal skills.

III. Responsibilities of Students in Business Internships:

Students are required to complete the following:

1. Gain approval from Faculty Mentor for the internship. The internship must be 150 or more total work hours. This may be accomplished with 10 work hours a week for 15 weeks (the length of a semester). **The paperwork (forms IX, X, & XI) for this course must be returned and approved by the faculty mentor before the internship begins.**
2. Throughout the internship, keep a reflection journal. The reflection journal, which is due at the final PowerPoint presentation, should have entries from each week, citing specific examples where appropriate. The weekly journal entries should be at least a good paragraph long and should fill at least four pages when complete. At the end of the internship, you should add a minimum of 5 additional pages reflecting on the whole internship experience. These final entries will be based on a minimum of 1 page each for the following 5 specific areas: academic, professional, cultural, spiritual, and another area of the student's choosing (may require faculty mentor approval, so please discuss your idea with your mentor). The final entries may contain references to the previous journal entries and specific work examples. In total, you should have at least 4 pages of weekly entries citing specific weekly examples and at least 5 pages of final reflection (1 page each on the 5 areas listed above). A reflection journal of fewer than 9 pages and/or lacking at least a few specific work examples will receive a significantly reduced grade.
3. Throughout the internship, email the faculty mentor with brief updates of the internship.
4. A midterm paper must be provided to the faculty mentor on the agreed upon date (date is selected on the business internship form that will be turned in to Faculty Mentor). This paper must be a typed, double-spaced report approximating 5 to 7 pages. The paper should document the details of the internship, with special attention to the following topics:
 - What is the nature of your responsibilities that qualify it for internship credit in the designated business discipline?
 - What did you actually do in the internship? Describe.
 - How does what you did compare and contrast with what you learned in related college courses?
 - What did you encounter that was the most significant and/or most different from what you anticipated?
 - Summarize the strengths and weaknesses of the experience and how it might have been better.
5. A final PowerPoint presentation to all interns in the program that semester is required during the Monday of final exam week. The presentation should not exceed 5-7 minutes and should act as a summary of your entire internship experience and learning.
6. The **supervisor sign-off sheet (form XII)** should be filled out with comments, if any, and signed by the supervisor at the completion of the internship. **This document is due at the time of the final PowerPoint presentation.**
