

Southeastern University
Jannetides College of Business, Communication, and Leadership
Department of Aviation
AVIM 4013 Aviation Practicum I
Official Syllabus

Catalog Description

This course is an integrative learning experience, where the university partners with an organization to create experiential training in the aviation field. Practicum I provides students service learning opportunities which can include building flight hours or aviation management and operations. Special attention is given to the development of the student's vocational interests and divine design. Completion of this course is equivalent to 120 hours of service-learning engagement in addition to the completion of reflection assignments.

Prerequisite: None

Credit Hours: 3

Repeatable: Course not repeatable

Intended Learning Outcomes

Students who successfully complete this course will:

1. Recognize the relationship between calling and potential vocations in the aviation field.
2. Perform duties established in the student mentoring contract.
3. Identify a career plan and prepare a digital portfolio or resume.
4. Develop the habits of a reflective life.

Version History

###/###/##### v1.0 Original course approval. Course added as an elective to the BS BPL and as part of a new AS and BS degree.
