

Southeastern University
Jannetides College of Business, Communication, and Leadership
Department of Aviation
AVIP 4013 Certified Flight Instructor Ground School
Official Syllabus

Catalog Description

This course provides instruction in preparation for initial flight training and the Fundamentals of Instructing (FOI) Federal Aviation Administration's (FAA) and Flight Instructor Knowledge Tests. Topics include the fundamentals of flight instruction and learning, lesson planning, resource management, communication, regulations, and professionalism. Credit may be granted for passing the FAA FOI Knowledge Test, or equivalent, and Flight Instructor Knowledge Test with a mandatory minimum passing score of 70%.

Prerequisite: Commercial Pilot Certificate or AVIS 3023

Credit Hours: 3

Repeatable: Course not repeatable

Intended Learning Outcomes

Students who successfully complete this course will:

1. Pass the Fundamentals of Instructing and Flight Instructor Knowledge Tests.
2. Develop effective lesson plans for ground and flight lessons.
3. Demonstrated ability to effectively teach basic and advanced aeronautical knowledge areas for the aircraft category and class for which the flight instructor privileges are sought.
4. Demonstrate scheduling awareness regarding aircraft flight time and training.

Version History

###/###/##### v1.0 Original course approval. Course added as an elective to the BS BPL and as part of a new AS and BS degree.
